Sound is all around

Week 6

1

How do you start your day?

An inspirational and upbeat song, about diversity and individuality - Let's celebrate what makes you, you and me, me!

Let Love Shine Through

2

Listen to this.....

The soaring opening notes, played on the **clarinet** describes something in the city, something we still hear a lot of today. Can you guess what it is? Why not draw your own cityscape, whilst listening to the music? Click on the link to find out more:

'Rhapsody In Blue'

3

Try this.....

Go on a **sound walk**, this could be outside or inside your home, collecting sounds as you go. What can you hear? Try recording some of these sounds using a phone or tablet.

Choose 4 sounds and find ways to represent these with your **voice** or **found sounds** in your home. Put them together to create your own **city soundscape**.

- Try drawing your sounds
- Are they **long**? **High**? **Low**? **Quiet**? **Loud**? **Rustling**? **Surprising**?
- Ask members of your family to help you perform your city soundscape
