

Year 5&6 Netball Hi 5s
Monday 6th November
@ Our Lady of Pity Primary

Our Lady of Pity was the venue for the second round of the Edsential Netball high 5 league. The previous set of fixtures hosted at Ladymount saw some excellent netball and a very strong Our Lady of Pity team. There were 5 teams at the event; Our Lady of Pity A & B, St Bridget's, St Johns and Rock Ferry. With there being 2 courts at OLOP it meant lots of playing times which the pupils benefited from.

The standard of netball played was excellent with lots of goals scored and plenty of close games. Our Lady of Pity won 3 and drew 1 of their games on the evening strengthening their place in the league. There were some fantastic individual performances as well from students at St Bridget's and Rock Ferry primary schools which caught the eye from Debbie Crowley who was again present at the event to offer her knowledge and experience in the game.

The Netball League takes its winter break now before it kick starts again with central venue dates at St Bridget's and Well Lane primary schools.

"It was great to have 2 courts so more netball could be played." St Bridget's teacher

"I enjoyed it, we didn't win all of our games but we got better as the competition went on" Rock Ferry pupil
