# Living in Harmony

Week 12

1

### Listen to this.....

Kerry Andrew's piece ['No Place Like'](#) is all about where we are from, how we are all connected, our hometowns and what they sound like. Click on the link and scroll down to listen to the piece. Why not create a mind map of what home means to you.

2

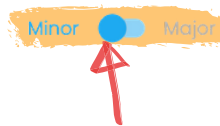

### Did you know.....?

That music sounds better with a little **harmony**. Harmony is when two or more notes are played at the same time. Many **harmonies** are made up of **chords**. Click on the link to find out more.  [Harmony.](#)

3

### Try this.....

Kerry Andrews uses **harmony** in her composition. She creates this by using the **chords** of **G** and **A** major. Can you play the chords of **G** and **A** major using [Chrome Music Lab](#)?

- Now click on the 'minor' tab
- What happens to the sound?
- Which one do you like best..... **major** or **minor**?
- Try out some more chords and see which ones sound good played in a sequence.
