

CULTURE CONNECTS

Welcome to Culture Connects – An overview of what's happening in creative and performing arts in schools and communities. Discover opportunities to inspire young people to explore the world around them.

A MESSAGE FROM OUR CULTURE SERVICE LEAD....

Edsential Culture is all about co-creating opportunities for young people, their teachers and schools through delivery in our residential centres, in schools, and in cultural venues. Our Artists and Authors offer exciting programmes to enrich curriculum delivery, support skills development and embed a creative culture across your school. We look forward to what the new school year could bring. - Cate Madden.

WHAT SCHOOLS HAVE BEEN UP TO...

The Russett School worked with Julie Mallinson in creating individual clay stars, using objects found in and around their outdoor areas to make marks in the clay before firing. Julie also worked with Winnington Park Primary School creating rosettes celebrating pupil achievement and created a positive message board. Julie enjoys working in a wide range of disciplines including drawing, painting, casting, ceramics, textiles, and mixed media. To find out more or to book a session in your schools visit our artists profile on our website under the banner creative and performing arts.

EXAM SUPPORT

For older students, we offer residential courses led by us and supported by experts to give your students invaluable insights to attain higher grades. Our exam support courses take away all the distractions of the normal classroom and home environment.

CREATIVE & CULTURAL LEARNING

We believe that engagement with culture makes for healthy and flourishing lives. As we emerge from the pandemic, we can help your children and young people to open their imagination and socialise, in an inspirational space, where they can explore and expand their horizons. Many schools choose to use our residential facilities to take their students into a new and exciting environment. Our wonderful team can provide shared learning experiences for groups, classes and whole school projects. To find out more about creative and cultural learning with us please contact Cate.
