

**Year 5&6 Futsal Competition**  
**Monday 20<sup>th</sup> November**  
**@ Well Lane**

Well Lane was the host school for this year's Futsal competition for year 5&6 pupils. This was a great opportunity of how Edsential competitions are adapted to suit the needs of the facilities and the schools attending. Futsal is a game played indoors and is traditionally 5-a-side. For The Edsential Futsal competition we played outdoors on two pitches and the team consisted of 4 players.

There were 3 schools involved in the competition; Well Lane, West Kirby and St Johns. All schools brought an A and a B team and it was great to see the schools providing an opportunity for all abilities. The 6 teams played in a round robin competition with all teams playing each other.

The skill and desire from all of the players was exceptional and there were some outstanding individual performances from players in all teams.

With all teams scoring plenty of goals in the 4 minutes each way matches it was very close at the end. St Johns beat the West Kirby in the final game but it was West Kirby who had already amassed enough points to win the group by 1 point!

A huge thank you to all the staff at Well Lane for making the event possible.
