

KS2 Boccia Competition
Monday 15th January
@ St Paul's Primary School

St Paul's hosted the first Edsential competition after the Christmas break which was a Boccia competition. Boccia is a precision ball sport similar to bowls, and similarly requires great deal strategy and accuracy!

There were 4 teams involved in the competition; St Paul's, Rock Ferry and two teams from St Bridget's. For every pupil taking part it was the first time they had played Boccia and the first time they had represented their schools.

As it was the first time for all players a practice and demonstration was given to them and all participants soon picked the game up. There were some outstanding matches, which went down to the final ball and the scores at the end could not have been closer!

One point separated the top 3 teams with St Bridget's edging out Rock Ferry and St Paul's who tied for second place on the same number of points. Despite the overall result it was great to see the teamwork, focus and sportsmanship of all players throughout the event.

All players received certificates at the end of the event which were thoroughly deserved.

A huge thank you goes to St Paul's for hosting the competition. We will be back at St Paul's in March for a tri golf competition.

“The kids really enjoyed it – a good chance for those ‘less engaged’ to compete” Rock Ferry teacher

“It was a great game” St Bridget's pupil
