

Year 1 & 2 Indoor Athletics
Monday 22nd January
@ St Anne's Primary School

St Anne's Primary school was host to the Year 1 & 2 Indoor Athletics event. The event was a great opportunity for the Year 1 & 2 pupils to whom competition was a new concept, allowing them to compete in a safe and fun environment.

There were 4 schools taking part in the event: St Anne's, St Bridget's, Ladymount and Somerville. It was great to see over 50 children taking part in the event, all full of enthusiasm.

The competition involved a number of track and field events including obstacle relays, team relays, speed bounce and throwing events. With the number of events on offer it allowed all children to take part in a number of events.

The attitude of the children taking part was fantastic and the noise levels of them cheering their team mates was fantastic to hear and it really did set a great atmosphere in the hall.

The competition was very close in the end with only 9 points separating all schools. St Bridget's were the eventual winners beating Somerville primary school into second by 1 point.

It was also great to see over 60 parents spectating and the comments from them afterwards were all positive.

A huge thank you goes to St Anne's for hosting the competition. We will be back at St Anne's after the February half term for the Edsential Dance competition.

"Really enjoyable and glad that Years 1 & 2 get to do a sporting activity"
Somerville teacher

"I liked doing the racing with my friends" St Anne's pupil
