

Years 5&6 Netball High 5 League
Monday 5th February
@ The Oval Sports Centre, Bebington

With the previous two rounds of netball being played at Ladymount and Our Lady of Pity primary schools, the 3rd central venue event took us to the Oval Sports Centre. With the adverse weather it was great to have the 2 indoor courts available to play on, which allowed some fantastic netball to take place.

There were 8 teams involved in the league; Ladymount, Our Lady of Pity (3 teams) and St Johns and St Bridget's both bringing 2 teams. With the number of teams entered they were split into 2 groups, the A teams playing in one group and the B and C teams playing in the other group.

To support the event, Debbie Crowley, provided a wealth of experience and we were also grateful to have a number of sports leaders from St John Plessington School who helped out with umpiring and scoring.

The standard of netball has developed over the past 2 central venue events that have been delivered and the larger courts at the Oval sports centre, certainly gave some of the schools the extra space to showcase their skills and teamwork.

After the group games were completed it was St Johns who won the B and C team group and Our Lady of Pity who were victorious in the A league.

There are 2 remaining netball central venue league dates still remaining:

- 21st May @ St Bridget's Primary School
- 25th June @ Well Lane Primary School

"An Enjoyable experience in a friendly atmosphere" Ladymount teacher

"It was exciting, fun and friendly" St John's pupil
