

## **Years 3&4 Gymnastics Competition**

**Monday 6<sup>th</sup> March**

**@ St Joseph's Primary School**

St Joseph's hosted their 2<sup>nd</sup> Edsential competition of the year. After the successful year 2 indoor athletics competition it was over to the years 3&4 gymnasts to provide a fantastic display of talent.

There were 5 schools involved in the competition; St Joseph's, Holy Cross, Somerville, St Bridget's and Well Lane. The encouragement from all participants was great to see throughout the event and everyone bought into the event being about personal bests. All pupils took part in a body management routine, a floor routine and a vault routine.

The standard of gymnastics on show was excellent and all pupils should be very proud of their performances. Despite the event being about participation a special mention must go to the two girls from St Bridget's primary school who both scored 29.4 out of 30! Well done girls for your fantastic performances.

All players received certificates at the end of the event which were thoroughly deserved.

A huge thank you goes to St Joseph's for hosting the competition. We will be back at St Joseph's in the summer term for a foot-golf competition.

"It was great to see all abilities taking part in the event and as ever it was well organised by Mike." St Bridget's teacher

"I really enjoyed taking part today, the vault was my favourite." St Joseph's pupil
