**Date: Monday 24<sup>th</sup> September****Venue: Heygarth Primary****Event: Year 5&6 Netball**

Heygarth primary school was host to the first event of the year which was the year 5&6 netball high 5s. unfortunately a couple of schools cancelled with short notice but there were still 3 teams and over 20 pupils involved in the event.

Being early on in the academic year it was the first chance that all of the pupils had represented their school in netball and it was an ideal setting for pupils to learn and develop in a safe environment and for the teachers to coach their players from the side of the court.

The event was played in excellent spirit with all boys and girls learning the game through play. It was fitting that the final match of the competition finished in a 2 – 2 draw between St Bridget's and Heygarth Primary. Well done to all involved.

*“Really enjoyed the event because the children were very happy. Good advice all round and very friendly”* Heygarth school teacher

*“I enjoyed it very much, it was extremely amazing and I learnt lots of new skills and they have definitely improved.”* St Bridget's pupil
