

CELEBRATION OF HOLIDAY ACTIVITY FUND EDSENTIAL 2020

Celebration Agenda!

- Welcome!
- Steph Ellis - The Welcome Network (CWaC)
- Edsential
- Dr. Rosa Fernandez – University of Chester
- Bridge Community Gardens – (CWaC)
- Michelle Forder – Halton Borough Council
- Claire Bradbury – PIP (Halton)
- Di Hollis – Wirral Borough Council
- Matt Gibbs – Carrbridge Centre (Wirral)
- What we learned
- What next?
- Comments and Questions

Welcome and Introductions

Stephanie Ellis

Welcome Network

Cheshire West and Chester

The development of HAF over the past 3 years

The development of the HAF over the 3 year pilot

Cheshire West and Chester

Welcome Network Partnership

We work in the following ways...

- **Food:** Ensuring good, quality, sustainable and healthy food that is available to all
- **Support:** Supporting improved accessibility to food and support in local community venues
- **Relationships:** and networking help us to see connections across services and initiatives to hopefully avoid duplication and make the best of limited resources e.g holiday meals at an Extra Care home, sandwiches made by the WI, linking into the Natural Health Service, joint funding bids, sharing venues.
- **People:** Seeing opportunities for community members to be trained/upskilled to play an active role in this provision

Holiday Provision/HAF in West Cheshire

- 2016 – 3 days of Holiday Provision was supported by West Cheshire Foodbank with Holy Trinity Church Blacon
- 2017 – The Welcome Network project started in May 2017, and supported 12 days of Holiday provision in Ellesmere Port and Chester
- 2018 – The Welcome Network funded through the Feeding Britain Pilot
- 2019 - Partnership approach between Edsential, The Council, The Welcome Network and Cheshire West Voluntary Action
- 2020 – As in 2019 but also covered Wirral and Halton LA areas

HAF in west Cheshire

Year	Amount of Grant	Providers funded	Young People Reached	Meals provided
2018	£25,000	5	695	1,987
2019	£550,000	33	4,303	27,000
2020	£566,145	Over 40	4,439	41,163

2020 FREE SUMMER HOLIDAY ACTIVITIES ACROSS HALTON

Edsential Community Interest Company

Holiday Activity Fund

The Edsential Summer Holiday programme provides free meals and activities for eligible free school meal children and their families across Halton during the summer holidays. This year there are over 100 holiday clubs, offering a range of physical activities, diverse enrichment sessions, and a whole host of online resources too! All of our clubs are run by experienced organisations who will provide a safe and welcoming experience where children will have fun and make new friends. All of our delivery methods for this year's Holiday Activities will adhere to the Government's guidance around COVID-19.

HOW TO BOOK

On the back of this flyer you will find all activities available in your area this summer. All activity clubs are free of charge for eligible free school meal children and their families. Please contact the relevant provider - booking is essential for many clubs so don't miss out. Our online resources are free for everyone! A whole host of fun activities will be available throughout the summer on Facebook - be sure to like the Edsential Facebook page @EdsentialUK to take part.

5 ways to wellbeing

Be Active

In 2019/20 Children and Young People taking part in sport and physical activity for an average of 60 minutes or more a day decreased to 1.9% (86,500) compared to the same period 12 months ago, although activity levels remain higher than in 2017/18.

**Active Lives Children and Young People Survey
2019/20**

Merseyside Partnership was 46.2% (above National average).

Keep Learning

26 FSM and SEND children attended sessions at St Bedes.

- Increased quality relationships between parents/carers and school staff
- A marked improvement in how well pupils have settled into the school's routine and expectations when returning to school in September
- One pupil, who has complex SEND and does not always achieve academically, has a new sense of confidence in herself and in school. During the Holiday Activity Programme, she demonstrated a wide range of practical skills and her self-belief and confidence blossomed.

Connect

76% of provisions was delivered face to face, with 22% of provision consisting on the delivery of food and activity boxes with online support, and only 2% of providers delivering online only.

Improved family attachment

We didn't really cook together much. One of us would do it and then they would eat it. There was no pleasure in the cooking of the food either. Now we enjoy cooking together as a family when there is time and it is much more fun. It has brought us together
(Parent)

We enjoyed doing everything together as family through this - cooking and eating. It was a great experience and we bonded more as a family. Every time we cooked together we all took part. We learned more about each other as a family than we ever have
(Parent)

It has been nice spending time with my Mum. We wouldn't usually spend this time together in the summer cooking or learning. I have really enjoyed it
(Child)

Holiday Activity Fund Summer 2020 PIP and partners in Halton

Power in Partnership

All or Nothing

Brook Community Training

Overview by Claire Bradbury

CEO Power In Partnership

Getting to make new friends

Nature trails which teach us about our town

Far from the madding crowd

Being at one with nature (no fish were hurt in this activity)

Practicing our social distancing and social skills

Goals !

Ladies leading the way!

With the guys close behind !!

Making our parks and gardens clean and tidy!

Nothing that nature cant fix!

WHY

- PIP working with 16-18 year olds
- Target the young 10 plus, to start impacting earlier on positive behaviour
- Improve struggling with social isolation
- Feed the families – higher family breakdowns during Covid
- Teach healthy lifestyles
- Teach healthy eating
- Improve physical activity and health
- Improve mental health and wellbeing
- Give young people safe places to go and things to do
- Teach young people discipline and respect

What?

- Boxing and fitness- For all !
- Fishing- Quiet time, new skills, patience and timing !
- Hair – trialling new skills in a safe training salon
- Beauty- trialling new skills and interests in a real salon
- Art – drawing, researching, new projects
- Crafts – craft, painting, photos, sewing
- Media – Gaming, social media, safety and security
- Healthy cooking make, show and enjoy your lunch, with family and friends

Well?

Did it work ?

My opinion

Such a success and so much more than just a healthy lunch!

Feedback from one Mum

My son has struggled all his life with ADHD, anger management, learning difficulties and social isolation. This was the first time (and throughout Covid) that I managed to engage him with any groups and with people his own age. At first I stayed to make sure he didn't have a melt down but over time I saw how caring and nurturing the tutors were and I felt confident in leaving him there for the day. He has made new friends and cant wait for the next holiday activity to take place hopefully this year. I cannot thank you enough

Mum of Young person Halton Summer programme 2020

Impact

- Increased confidence
- New skills and aspirations
- New friendships
- Improved respect
- Improved nutrition
- Improved mental and physical health, wellbeing fitness
- Anti isolation.

Thank you colleagues and partners.... Here's to 2021 !

- Any questions.....

CHANGE

A graphic design featuring the word "CHANGE" in large, bold, white letters with a black outline. To the left, there is a small illustration of a figure holding a sign that says "MORAL PURPOSE". Above the figure is a clock tower, likely Big Ben. The background is dark and textured.

YOU'RE NEVER TOO YOUNG TO DREAM BIG

What have we learned?

- Community/School/LA partnerships
- Plan/co-ordinate early as possible
- 12 month plan – all holidays
- Need variety of provision – eg Wheels Extreme
- Food Boxes and Activity Boxes
- Family food
- Online

As a direct result of the programme:

- Introduction of Halton LA to Feeding Britain. Halton are in the process of setting up 'Feeding Halton' and are about to launch their first Feeding Halton Social Supermarket
- Brackenwood Primary Wirral – Parents have now set up a Social Supermarket for families from the school using a Shed that was purchased from HAF funds to store equipment for use over the summer
- Edsential and The Welcome Network establish locality partnerships. The specific aim is to work with Secondary Schools to increase the number of Key Stage 3 and 4 young people who engage with HAF, identify funding and make sustainable.
- Edsential are working in partnership with MSE (who were a provider of HAF2020) to increase Youth Provision in South Wirral.
- All online content is available for future programmes

Current Developments

- DfE rolling out a National HAF Programme
- Easter, Summer and Christmas 2021
- Flexible delivery over Easter and Christmas, Summer 4x4x4
- Edsential supporting LAs with continued Co-ordination, finalising the involvement over the next weeks
- Fast turnaround on applications for Easter delivery
- Start thinking now!!!!

What Next?

Bethan.Cooper@Edsential.co.uk
